

## **CEDAR FALLS LIONS CLUB**

### **PROGRAM FOR FINANCIAL SUPPORT OF HEARING AID REQUESTS**

1. Support from the Cedar Falls Lions Club under this program is available only to Cedar Falls residents.
2. Cedar Falls residents seeking financial support from the Cedar Falls Lions Club for hearing aids who contact the Club directly will be directed to the Wolfe Clinic in Cedar Falls or an audiologist of their choice. The Wolfe Clinic or other audiologist may also identify qualified recipients under this program and notify the Cedar Falls Lions Club.
3. The Wolfe Clinic or other audiologist will provide a hearing test, usually at no charge, and if the patient is deemed in need of hearing aids and financially qualified, the audiologist will contact the Cedar Falls Lions Club with a recommendation. Once approved by the Club, an ear mold will be made for the patient.
4. A representative of the Wolfe Clinic or other audiologist will contact the Iowa Lions Hearing Aid Bank and request hearing aids for the patient.
5. The Cedar Falls Lions Club will pay the Wolfe Clinic or other audiologist \$75 for one aid and \$125 for two aids. The patient will be expected to pay the balance of \$25 so that the total amount paid to the Wolfe Clinic or other audiologist will be \$100 for one aid and \$150 for two aids. Patient payment is to be made in advance.
